

High School Summer Mission Week

Mission Trip Requirement

In order to attend and participate in the High School Summer Mission Week and represent Our Savior Lutheran Church, you **must** meet at least one of the following requirements.

1. You must attend worship on a regular basis at Our Savior Lutheran Church and assist in a leadership capacity. An example of this would be helping with our Kids Church program.
2. You must participate in the Our Savior Lutheran Youth Group program on a regular basis. This means attending Youth Group at least twice a month.

We understand that it is not always possible to satisfy both of these requirements due to other commitments but satisfying at least one of these requirements will qualify you for participation in the High School Summer Mission Week.

Thank you,

David Schneck and Kristen Hitchcock
